ABOUT THIS TEMPLATE

Section are set in bold face. An optional parameter of \section takes a symbol to add in front of the text. This option is used in the jobs and education sections below.

WORK HISTORY

date

Employer name and city

Position Title

01/2020 - 12/2020

An employer with a long name,
City in new line

Previous position

EDUCATION

01/2019 - 12/2019

University, City

Bachelor of Something

ACHIEVEMENTS, HONOURS AND AWARDS

My first achievement

My second achievement

GENERAL SKILLS

Tag 1

Tag 2

and

another tag

some more tags

yet another one

tags flow over

to the next line

if necessary

Tags must be ordered by hand with newlines to get a nice layout, especially for long tags.

WHEEL CHART

ANOTHER SECTION

This page uses the page style `highlightmain` which shows the highlight bar (gray) and the main part (white background) but omits the header. The default page style is `headerhighlightmain` with all three elements. If you don't want header, nor highlight bar, use page style `\pagestyle{empty}`. Neither

main, nor highlight bar must be filled to make this template work. It is possible to use a page style with the highlight bar but leave it empty by setting an empty `highlightbar \highlightbar{}`.

Subsection 1

Demonstrate subsections.

Subsection 2

Subsection are also bold face but a smaller font then section. They also omit the rule.

PUBLICATIONS

Demonstrate what an `\pagestyle{empty}` page looks like. Also show off the macros for publications that uses small icons for authors, date, journal and links.

Achieving a good looking spacing can be tricky. For empty pagestyles where the full width is available use `\pubforcefullwidth` to force the publication list to take up all the available space. The (relative) lengths reserved for date, journal and links can be set with the parameters `\pubdatelength`, `\pubjournallength` and `\publinklength` as in `\setlength{\pubdatelength}{0.15\linewidth}`.

The turbulent gas structure in the centers of NGC 253 and the Milky Way
